Important Information

- We will not groom out a matted coat if we feel this would cause undue stress.
- Clipping or stripping a pet often exposes pre-existing conditions.
- Your pet's hair may be very short and close to the skin and its appearance can be dramatically different following the clip.
- We strongly recommend that all pets are vaccinated.
- We politely request that you do not bring your pet in for grooming if you suspect that it is unwell; however we do request that you notify us.
- Please ensure your pet has been to the toilet prior to its arrival.

I hereby give permission for my animal to be groomed by Kim's K9 Furry Tails. In the event of a medical emergency I give permission for any treatment to be carried out by a qualified veterinary surgeon for which any costs incurred will be paid by me.
